Good weather blesses the beginning of car show season

We canceled one event because the weather had been too nice, but the other three "season-opening" car events took place in passable-to-great conditions, and our season is off and running.

CPPC usually likes to get out to Woodburn to the Wooden Shoe Tulip Festival, but due to our early spring, the tulips were about three-quarters gone by May 2, and we decided to pass.

Next on the calendar (May 9) was the Portland Transmission cruise-in, which began as usual at the crack of dawn on May 9. Maybe it was the great weather, but old-timers were saying they had never seen such a large turnout.

The neighborhood was full – too full, if you asked some folks – but Mike Bade, Marlo and Julieann Edmon, Charles and Velva Stewart, Mark Childs, Chuck Willis, Russ Ashley and Herb Watkins were all spotted in the crowd.

Most of those folks, and more besides, made it out to once-a-year opening of the Davis collection – the Papa's Toys show – that same afternoon. Jer-

ry and Joanne Dixon were leaders of the pack that gathered at the Big Bear in Beaverton and headed for the old Stewart-Stiles truck terminal in Cornelius. Twelve CPPC members and seven cars made the journey.

Just a week later, the annual Parade of Bands was held in Hazeldell, WA, as part of a celebration of Armed Forces Day. Dixons hosted the event, with club members gathering in a staging area before being ushered into the parade. Eight members and five cars from CPPC were involved.

Of the five CPPC cars, four were convertibles – Bades' 1935 Plymouth, Steve Herman's 1937 Plymouth, the Ealys' 1939 Plymouth, plus Westphal's later-model Chrysler. The Ealy and Bade convertibles were taken to the front of the parade to escort dignitaries.

The next big event on CPPC's calen-

dar is the Orphan Car Show, June 20, a Studebaker club event which is a CPPC tradition.

Promote CPPC's Cruise-In by going to Beaches!

At the May 19 Cruise-In meeting, the discussion was about getting folks to hand out flyers at car events.

Somebody commented that if we could cover the Beaches PIR event regularly, we'd have it made!

That morphed into a decision to rally as many CPPC cars as possible, cruise to Beaches as a group, park together and set up a small display, and hand out our cruise-in flyers.

It's going to take some organizing, but that's what we've got in mind for Wednesday, June 2.

We'll be discussing it at the membership meeting on May 26.

First three springtime events – in top-down weather!

Hazeldell, WA, celebrates Armed Forces Day with their Parade of Bands, and, for the third year, CPPC was there. Car clubs and civic organizations join the parade with just about every marching band in the region, and a good time is had by all. Joanne Dixon says organizers specifically ask parade participants not to throw candy from cars, and get pretty much ignored every year. Top left, Steve Herman joined the parade with his 1937 Plymouth convertible, which, by the way, is a creamy yellow in color. CPPC's lineup included four convertibles, three of which are shown at right: Bades' '35, Ealys' '39, and Steve's '37. Below, left: Dixons' Barracuda appears in front of Westphals' LeBaron (with steer horns mounted in honor of the Wild West theme). Right, the Ealy and Bade convertibles were commandeered for dignitaries, and moved to the front of the parade.

Don Hufschmid reminds CPPC members that he is available to help with DMV paperwork. Give him a call if you have a question about your car's documentation.

Board meeting highlights

*From minutes taken
by Joanne Dixon*

The Board of Directors of Cascade Pacific Plymouth® Club, Inc. met May 12, 2015 at approximately 12:30 p.m. at Mike Bade's home, Happy Valley, OR 97086.

Present at the meeting were the following Board Members: Mike Bade, Bob Westphal, Randy Ealy, Robin Will, and Joanne Dixon. Guests included Jerry Dixon, and Chuck Willis. Joanne Dixon recorded the minutes.

Treasurer's Report: Mike Bade reported for Dolores Call.

- Old Business: Randy Ealy reported that we have seven(7) paid sponsors for the cruise-in, and at least three(3) verbal commitments. The Lanphere scholarship donation of \$500-\$1000 should be received directly. Randy suggests that CPPC commits this month to the Clubs scholarship donation as the cut off time for first semester scholarships is early June. Bob Westphal will make this an agenda item for membership review at the May Membership

meeting. Randy is meeting with Dave Bradley of the Community College Auto Program this afternoon, so should have more information later today. Randy also noted that membership registration for the cruise-in is low, and suggests we solicit more early club registration to help with the operational and scholarship funding.

- Guest Speaker: Bob Westphal reported that John Sargent will be our May speaker. The subject will be electric power steering for old cars. Bob has an agenda item for the May membership meeting on getting guest speakers.

- Up Coming Activities: Jerry Dixon reviewed the upcoming activities schedule. May 16th is the Hazel Dell Parade of Bands, there are currently 13 members signed up to attend. The next scheduled club events are the Orphan Car Show June 20th, and the Covered Bridge Tour June 27th.

- Member Care: Nothing new to report.

- Mayflower Committee: Friday June 5th is a garden tour to Schreiners Iris.

- Tech Committee: Chuck Willis will be asking for help doing a brake job on his T-bucket. Bob Westphal is looking for a welder to fab a driver side motor mount on his 48 coupe. Tech requests have been slow. Anyone who needs help with their old cars, may contact Chuck Willis to arrange a Tech Committee visit.

- New Business: Chuck Willis suggested that the Board consider ways to improve the membership meeting to encourage more members to attend. Options were discussed: mailing or calling reminders to local members, more social time, starting meeting later, abbreviating business content, expanded speaker presentations, games, etc. The Board agreed we could do better and should continue to work this subject.

The meeting was adjourned at 2:45 p.m.

Train Ride to Oregon Rail Heritage Center

*By Jerry Blount,
Studebaker Drivers Club NW*

Saturday April 25th was our train ride event.

Besides our Studebaker participants, the Plymouth Club joined us. Plus, there was a large group from HACO (Historic Automobile Club of Oregon). We didn't get a total head count but we probably had about 60 people in our group.

We boarded the train at Oaks Park for the 1:00 PM ride. It was a 15 minute trip to the Oregon Rail Heritage Center, at 2250 SE Water Avenue, in the neighborhood of OMSI in SE Portland.

The Heritage Center is home to some notable steam engines. Southern Pacific #4449 was the American Freedom Train locomotive for the 1976 Bicentennial. Spokane Portland & Seattle #700 is often used for steam excursions. Oregon Railway & Navigation (Union Pacific) #197 is undergoing restoration. And for us diesel fans - an ALCo PA passenger diesel-electric locomotive is displayed inside.

After more than an hour at the Center, departed on the 2:30 train so that we might get earlier seating at our next destination.

We drove the short distance from the Oaks Park Station, we drove the short distance to Killer Burger.

Cruise-In Committee: solvent, calm, on schedule

By Robin Will

You have to be impressed, watching CPPC's cruise-in committee in action.

Sort of like Santa Claus, they make lists, and check them twice. Years of experience pays off – it doesn't cut down on the work that needs to be done, but it perhaps in helps avoid surprises.

Porta-Potties? Don't want to forget those.

How about trash & recycling? College, city, county? Better find out.

Signs so folks can find the event? All figured out, waiting for the college's okay.

How many tables do we need? Gary Rusher knows.

Publicity – how many ways can we find to get the word out about this event? (See story, page 1.)

We're calling it "Hot Dog-ust Day." Will there really be hot dogs, and if so, who's cooking them? (Still negotiating with a couple of college groups about that one.)

How about something to drink to go with the hot dogs? (Looks like we'll have bottled water to sell, and we just need someone to sell it, and a place for them to set up.)

Can we involve students from Clackamas Community College? Yes and no – students won't be on campus, but we're negotiating with a couple

of groups who seem to be interested in helping out or operating their own fundraiser at our event.

How about offering scholarship help to automotive students as part of our outreach? Randy has been meeting with the financial aid office to sort that out. We're not the first car club to offer a scholarship, and there are things to consider.

Dash plaques? Mike Bade has it handled.

Tee-shirts? Hopefully we'll be taking orders at the next membership meeting.

Goodie bags? Tiffanys are donating the bags; Benfields have volunteered to stuff them. Now we just need the donated goods to go inside, and that is going well, considering how early we are in the season.

And so forth.

The committee keeps coming back to one (impressive) theme: CPPC is back in Clackamas County, and we're not just planning one profitable car show. We're thinking how we can be good for the college, good for the community, good for the hobby – and still enhance our bottom line so we can do it again next year.

After being in Independence for three years, it feels like a homecoming, and it feels like the right thing to do.
