## Potluck, special awards, & bingo with cash prizes wrap up 2016 for CPPC

With Thanksgiving behind us, our November 29 5th-Tuesday potluck meeting will be a chance to relax and enjoy CPPC's last meeting of 2016.

Members are encouraged to bring family and friends to share the evening's food and activities.

A sign-up sheet circulated at the October meeting, but if you're not on it, don't worry. The old rule of A-M for salads and N-Z for desert will work just fine.

The club intends to honor some special volunteers, reminisce a little about what we accomplished, eat a lot, and

### Potluck set for 5th Tuesday of November – the 29th

There are five Tuesdays in November this year, which gives us a chance to separate CPPC's traditional end-of-year celebration from the busyness of Thanksgiving.

Our meeting/potluck date will be Tuesday, November 29<sup>th</sup>.

More information will come via email blast and November's newsletter, but for now, please make a note of the date.

AND JOIN US!**

then play Bingo until Don Hufschmid's voice gives out.

It will be the club's last full meeting of the year – we won't be all together again until January 24, 2017.

Please note the calendar: Mayflow-ers are planning a holiday luncheon early in December, and absolutely everybody is invited to a lunch meeting at Elmer's in Clackamas at noon on December 6 to plan next year's activities.

If you'd like to revive an activity we haven't done for a while or propose something completely new, this is your chance.

Lots of members come to the meeting prepared to pay their dues for the coming year. This is appreciated – it lets the board know what we've got to work with financially in the next year, and it eliminates reminders down the road. Nonetheless, notices will go out in the mail in early December for those who aren't already paid up.

Some CPPC activities will go on be-

### Celebration of life set November 27 for Glenn Klinger

Cascade Pacific Plymouth Club extends our condolences to Jerry Klinger, whose brother, Glenn, died November 7, 2016 of cancer.

Glenn Klinger was active in the old car hobby, and was a past president of the Historic Automobile Club of Oregon (HACO).

There will be a Celebration of Life for Glenn on Sunday, November 27th from 2:00 to 5:00 PM at the Clackamas Community Center located at 15711 SE 90th Avenue, Clackamas, OR.

hind the scenes, as usual.

- Bet on the fact that some of the Tech Committee guys will be making house calls right up to the time Santa comes, helping with the wintertime projects that keep old Plymouths on the road.
- It's fairly certain that some folks are already scheming about Portland Swap Meet, looking around for donations and checking our inventory. April always comes faster than we expect.
- The Cruise-In Committee will be coming out of dormancy soon, as well. We did surprisingly well last year – on the hottest day of the year – and we've already determined not to limit ourselves with single-dealer sponsorship. We think we're stronger on our own. We're known for our friendly, well-run events, and we plan them that way!

Come to the potluck. Enjoy the food, fun, and friendship. Enjoy the holidays, and we'll see you next year!

### Clothing donations are welcomed as weather gets worse

Jeanette and Bob Dimick have been collecting clothing for homeless centers perpetually for the last several years.

The need never entirely goes away, and it peaks during winter months when warm dry clothing becomes a necessity for folks who live outdoors.

Bring donations of gently-used clothing to club meetings, or look Dimicks up in the CPPC roster and they'll find a way to get your surplus goods to the folks who need them.

# Meeting highlights from October

*From minutes taken  
by Jim Wheat*

Members of the Cascade Pacific Plymouth Club met on October, 25, 2016 at the Clackamas Community Club, 15711 SE 90th. Ave., Clackamas, Oregon. Thirty one people were in attendance. Jim Wheat took the minutes.

The meeting was called to order at 7:00 by Randy Ely.

Don Hufschmied led the membership in the flag salute.

Randy thanked Dennis and Jeanne Mowery for providing refreshments.

Minutes of the September 2016 Membership meeting and Board meeting were approved as printed in the October Newsletter.

The Treasurer's report was reviewed by Randy Ealy and approved as presented.

Randy reported on the September and October activities.

Guest speakers included Jim Wheat and Mike Bade. Jim told about his recent trip this month to the annual Eastern Division AACA Fall Meet, otherwise known as "Hershey". This is the largest car show and swap meet in the nation with over 9,000 vendors, approximately 1,700 cars for sale and over 2,000 cars entered in the car show. Mike Bade told about the trip he and Donna took to Cancun, Mexico and showed slides of the Mayan ruins and the beautiful scenery in the area. She also had slides of their trip to Southern California where they attended a hot rod show. There were a lot of interesting custom creations.

Mindy Benfield reported on the next outing with the Mayflowers. They have planned a tour of Bob's Red Mill manufacturing factory to be followed with lunch. The meeting location is the parking lot of the factory a few minutes before 10:00 on November 8th. The address is 13521 SE Pheasant Court, Milwaukie. Note, this is not the red building we see next to Hwy. 224.

Under New Business, the membership voted on, and approved, a motion to continue the dues at the current rate. The Board approved a motion to send a letter to all members regarding dues

payment with a return envelope to make things easier the members to keep current with their dues. A letter will be sent to those who didn't pay last year to see if they are still interested in continuing their membership in the Club. Bob Westphal will chair a committee to search for a trailer to hold all of the Club's equipment for the swap meet and car show. Currently, everything is stored in a barn and a trailer would reduce the amount of handling involved with packing and unpacking for each event. If you are interested in joining the committee please contact Bob Westphal. The new date for the November meeting will be on the 29th. The Volunteer of the year Award will be presented at the November meeting. The date for next year's Hot Dog-Ust Car Show has been changed to August 12, 2017. The new date will eliminate conflicts with other car shows.

Members' birthdays were announced, happy birthday to La Deane Heaton, John Squires, Logan Bevency, Patrick Hague, William Suchla, Cari Catlow, Kim Childs, Tim McCarthy, Bob Dinick, Mark Childs and Virginia Dunn.

Randy reported on Member Care, Vera Rusher is making great progress with her physical therapy.

Robin Will reported on the Newsletter and Website. Nine people submitted items for the newsletter and the website had 667 hits for far for October. There was interest from as far away as Moldova and Poland. The 2008 news-

# The Steering Column, A Message from the President

Greetings to all

I hope this finds all of you in good spirits as the days are shorter and winter is upon us.

As my first year as President comes to a close I want to give a big thank you to the board members who helped me along the way. I would also like to extend my thanks to all members who supported our club this year. Your volunteer hours at fundraisers and car events make CPPC a very successful club.

Tons of gratitude goes to Jerry Dixon for his years of hard work as our events chairman. Please join us for a noon lunch on December 6<sup>th</sup> at Elmer's as we plan for next year's calendar. Let Jerry or myself know of any ideas you may have for the coming year.

Also thanks to the Mayflowers for the planned outings this year. Pam and I enjoyed them and we hope you did as

well. As a matter of fact, as I write this, we are planning to join the group today to tour Bob's Red Mill.

Remember our November dinner meeting will be November 29, 2016 the 5<sup>th</sup> Tuesday. **This is a change from our normal 4<sup>th</sup> Tuesday meeting.** Plan to see all your friends (relatives are invited) for a short business meeting, great food and Don's superb bingo calling.

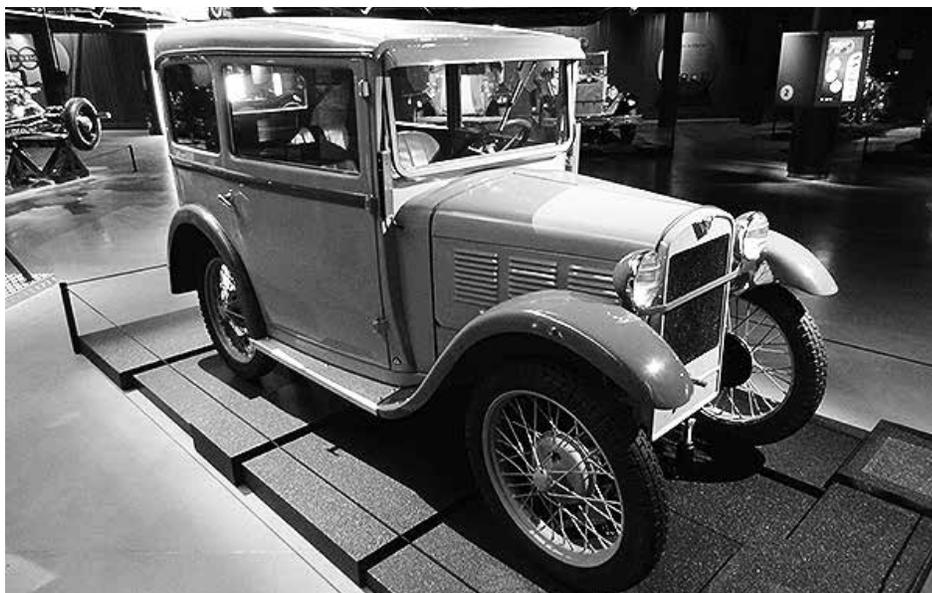

The club provides the ham and beverages. If you were not there to sign up at the last meeting, plan to bring a vegetable dish if your last name begins with A-M, or a dessert for the N-Zs.

Merry Christmas and Happy New Year from Pam and myself.

Let The Good Times Roll

Randy

*OUT & ABOUT: It's not a Plymouth. It's something that Phil Lapin spotted in a museum in Riga, Latvia. It is, however, a make of car that is still for sale in the United States today. Phil is going to be CPPC's guest speaker in January, 2017, sharing pictures of his trip, and he'll reveal the make and model of the car at that time.*

letter received the most attention, the Tech. Committee had 278 hits and 256 people viewed the picture gallery.

Don' Car Quiz had the following questions:

What state would you be in if your license plate had the motto Discover the Spirit?

Answer: New Jersey.

2. What is the state song for Florida?  
Answer: Suwannee River.

3. What car had the first power seats? answer: Packard in 1947. Robin Will had the correct answer.

Randy played "Heads or Tails" with his winnings from last month' 5/50 winnings. Philis VanCoelen was the lucky winner.

The 50/50 pot went home with Lloyd Schulz.

Door prize winners were: Judy Byrnes, Patty Brost, Bruce Kerslake and Pam Wheat.

The meeting was adjourned at 8:30 p.m.

## Hey, Plymouth people ... CPPC member Jeff Jolly is cleaning house

By Robin Will

Middle of last week, I was wondering what in the world I was going to put in November's CPPC newsletter.

Then I heard from Jeff Jolly.

Jeff has been a CPPC member for years. He's not as active in the club as he once was, but he's still a Plymouth enthusiast, and like most enthusiasts, he's got a lot of stuff that he bought simply because he thought he might need it sometime.

Now he's not so sure he needs this stuff, and the first installment (yes, there's more!) looks like a bonanza, particularly for the 1949-1950 Plymouth aficionados among us.

There's no way to do justice to this bounty in the confines of our newsletter, so the entire stash will be viewable in the "Advertising" section on Cas-

cadePacificPlymouth.org by the time this newsletter arrives via snail mail.

CPPC members get first shot, before the whole shebang goes to eBay.

Here's the current list, with a teaser photo or two. You'll need to go online to see the rest.

**Set of after market NOS 15" aluminum wheel trim rings, Kromwheels style # 46AD, for 1955-56 Plymouths and will fit many other makes and models - \$90/set. Jeff Jolly. 503-799-7363**

**Set of NOS stainless vent shades for 1949-52 Plymouth P17/19/21/23 2 door sedan (fastback) models, great condition - \$100/set. Jeff Jolly. 503-799-7363**

**Steering wheel off of my P19 Plymouth Suburban with 28k miles in very nice condition, Mopar part # 1330379, will work on all 49-52 Plymouths and other same vintage Mopar models- \$150. Jeff Jolly. 503-799-7363**

**NOS rear fenders: right (Mopar part # 1303386) and left (Mopar part # 1303387) rear NOS fenders for a 1949 Plymouth P17**

**2 door sedan (fastback) - \$175 each. Jeff Jolly. 503-799-7363**

**Set of 5 aluminum Mopar hubcaps, purchased as NOS and used only two months on car, 60's/70's? Very nice condition with no damage - \$100. Jeff Jolly. 503-799-7363**

**Two sets of hubcaps like this one; one set NOS, one set used, original equipment of P17 and P19 49/50 Plymouth 2 door sedan (fastback) and business coupe models. For specifics, condition and price see photos online or contact Jeff Jolly. 503-799-7363**

**Used stainless hood moulding, Mopar part # E1494709, fits on the lower edge of the hood on all 1954 P25 Plymouth models, no damage. Needs cleanup - \$75. Jeff Jolly. 503-799-7363**

**Unopened box of FelPro engine gaskets Part # FS7564 C2 - for many Plymouth and Dodge models with the venerable flathead six cylinder motor - \$60. Jeff Jolly. 503-799-7363**

**Radios - two complete radios & faceplates for 49-50 Plymouth, and one after-market 6V radio. For condition and specifics see photos on website and/or contact Jeff @ 503-799-7363.**

## Low-tech strategy removes rusted nuts

Bob Westphal recently shared a video about a "new" way to remove rusted lug nuts.

Or maybe it's an old way. If you ever wondered how people got stuff done back in the day before power tools, this video might be a clue.

It's really low-tech. It requires a cigarette lighter and a candle.

Hold the lighter immediately below the lug nut in question. Heat up the lug nut a little bit. Hold the candle immediately above the nut, so melting wax will drip down over it. Give it about two minutes, then take the heat away.

The heat expands everything, and the candle wax is drawn in as a lubricant. The nut will loosen to the point that it's wrenchable.

The video is at <http://www.chonday.com/Videos/rusnutcankj4> (without the hyphen).

**Don Hufschmid reminds CPPC members that he is available to help with DMV paperwork. Give him a call if you have a question about your car's documentation.**

## Mayflowers at Bob's Red Mill, November 8th!

*On Tuesday, November 8th, the Mayflower's met at the Bob's Red Mill factory in Milwaukie, OR. After a detailed and interesting presentation we toured part of the facility. Looking through glass windows we were able to see the inner workings of a specialty grain milling operation. Afterwards we all drove over to Bob's Red Mill Whole Grain Store, Restaurant and Bakery, where we had lunch and shopped for delicious healthy food.*

## Jim Wheat brings souvenir back from meet at Hershey

It's a 1934 Dodge, and it's blue.  
Really, really blue.

There are those of us who believe that the 1933-34 coupes were as good as things ever got in terms of styling at Plymouth and Dodge.

Jim says he was interested in this car last year, but he couldn't make a deal, and the car went away.

It showed up at Hershey again this year, and this time things went his way.

This is a picture from Jim's phone. It will have to do until the car is delivered.

## MAYFLOWERS

*The Mayflowers' entire purpose is to get out and visit interesting people and places in the Pacific Northwest. Everyone is free to join in.*

### Holiday lunch set for Dec. 7 at Stone Cliff Inn

Mark your calendars for Wednesday, December, 7th at 11:30 A.M. The Mayflowers will be having their annual Holiday Lunch and this time it will be held at the Stone Cliff Inn in Carver, OR. The actual address is 17900 S. Clackamas River Drive, Oregon City OR, 97045.

The setting is a beautiful log building that sits high on a cliff with views of the Clackamas River and the Carver Bridge. The property was used as a backdrop during filming of parts of the popular 'Twilight' Movies. There is plenty of parking and several members can attest to the delicious food. Check them out on their website- Stonecliffinn.com

Because we will have a large group there will be a special menu with a choice of five different items. It should be available within the next week. The absolute deadline to sign up is at the November potluck meeting. Email or telephone Mindy Benfield if you have any questions. Her contact information is in the roster. She will be sending out more information before the next meeting.

## BODY SHOP & REPAIRS

Joanne Dixon is CPPC's Member Care contact. Please keep her updated about members who need cards, letters, e-mails or phone calls.

Contact Joanne at 360-608-6171 or jojoes@outlook.com.

Vera Rusher is progressing every day and is now having therapy only twice weekly and her speech is also improving.

I would like to extend my heartfelt thank you to so many members who sent cards of sympathy with regards to the sudden and unexpected passing of my Mother. I appreciate each and every one. Joanne

## NUTS & BOLTS: Board meeting highlights

*From minutes taken  
by Robin Will*

The Board of Directors of Cascade Pacific Plymouth Club met on Tuesday, November 8, 2016, at Bill's Place, 16111 SE 106<sup>th</sup>, Clackamas, Oregon.

Present at the meeting were Dolores Call, Bob Westphal, Don Hufschmid, Randy Ealy, Robin Will, plus guests Chuck Willis, Mike Bade and Pam Ealy. Robin Will took the minutes.

Bob Westphal called the meeting to order at 12:20PM.

Minutes of the October, 2016 Board meeting were approved as published in the newsletter.

Dolores Call's Treasurer's report indicated sound fiscal condition for this time of year, and it was accepted without discussion. We don't publish our bank balance, but any board member can provide details.

Don Hufschmid, member at large, indicated that January's guest speakers will be Phil and Jean Lapin, who recently returned from a trip to Latvia. He asked board members to be on the lookout for future guest speakers.

Don will call bingo as usual at the November 29 member potluck, and the board approved some cash for bingo prizes.

Randy Ealy indicated he had seen a small sound system with a portable speaker in action, and would be following up to find out more about the product.

It was noted that after the November 29 membership meeting and potluck, CPPC members will not gather

again until January 24, 2017.

The board affirmed their commitment to give cash awards along with tokens of appreciation for outstanding CPPC volunteers at the November membership potluck.

Trailer search: The Tech Committee has been looking for a large enclosed trailer to store Swap Meet merchandise and the tables, banners, etc. that are used for club gatherings, to get them out of Gary Rusher's barn. Bob Westphal is heading the trailer search, and has found a few listings in the \$4,000-\$5,000 range which he has forwarded to other members for consideration. Don Hufschmid reminded the group about the importance of proper titling, licensing, documenting serial numbers, etc. and will help in that process when a trailer is located.

The board reviewed their plans to send membership dues invoices this year, after members have had a chance to pay dues at the November meeting. There was discussion about sending notices to folks who didn't renew last year and had not announced intent to leave the club. Dolores Call will acquire an older mailing list and expedite the process.

The board confirmed that the November 29 meeting and potluck is open to members, family, and other guests who would like to attend. Randy will summarize the "salads vs. desserts" procedure in his Steering Column.

The Refreshment Schedule for next year's meetings will be circulated at

hold its annual meeting next year in Seattle, August 16-20, 2017.

There was general discussion about acquiring another car for consignment at Portland Swap Meet. At the moment there's not much available that looks good.

The discussion segued into talk about CPPC members who have recently passed, who left cars and/or collections of parts which might be available reasonably priced or as donations. CPPC could conceivably be offering a service in helping survivors/families deal with those situations, and if the collections could be acquired reasonably, they be good additions to our swap meet inventory. Several board members agreed to inquire into those situations.

The meeting adjourned at 1:30PM.
