June 2017

Beautiful day for Orphan Car Meet, with four CPPC winners

The Studebaker Club's Orphan Car Show has become traditional with CPPC members.

Small wonder – the riverside setting is one of the pleasantest venues we see all year. The hosts are friendly and the show is well-organized. The orphan cars – those marques that are no longer produced – tend to be more interesting than the Fords and Chevys that crowd ordinary car shows.

This year four CPPC cars won awards or honorable mention:

Don Ryan (1948 Plymouth) and Lee Powell (1967 Belvedere II) both placed in their respective classes. Steve Herman (1937 Plymouth convertible) and Jerry and Joanne Dixon (1967 Barracuda S) came home with honorable mention.

CPPC members gathered around Don Ryan's 1948 Plymouth custom coupe for a group picture at the Orphan Car Meet on June 17, 2017.

Hot Dog-Ust Day sign-up

"Well-organized," is always at the top of comments CPPC has gotten about its car shows over the years. We're good at what we do.

First impressions count, and we'll need extra help at the first stage of the event this year: directing traffic and

sheets will circulate at June's membership meeting

parking cars. It involves directing and staging cars before they enter, greeting guests and expediting registration, guiding cars into the field, and directing parking. Don Hufschmid and Bruce Kerslake, who took care of two of those jobs over the years, are no longer with

us. We'll have some college students to help, but we'll need people who know what they're doing to direct.

It's not heavy work, and the jobs last only until the majority of cars are parked. Please consider helping us on the early shift!

The committee also needs help for our Friday, August 11 work day. Last year we set up the majority of the canopies, painted the lines for parking, unloaded and set up the tables we needed, got our college helpers oriented – and then took a break for pizza. We'll do the same this year!

Headed out for a car event? Take some CPPC cruise-in flyers along!

From now until August 12, one of the most important things we can do to ensure the success of our cruise-in is to publicize it.

Please pick up some flyers at the next club meeting.

Take them home, and put them in your hobby car, so they'll be handy.

Spread them around liberally, and invite folks in person if possible.

Fundraising and promotion are ongoing. As of press time, we had \$1250 in award donations, and \$900 earmarked for scholarships. Any member help in spreading the word or soliciting support is appreciated.

**NEXT CPPC MEETING IS

Meeting highlights from May

*From minutes taken
by Jim Wheat*

Members of Cascade Pacific Plymouth Club, Inc. met on May 23, 2017, at 7:00 p.m. at the Clackamas Community Club at 15711 SE 90th Avenue Clackamas, Oregon, Randy Ealy, President, presided. Thirty members and friends attended the meeting. Jim Wheat recorded the minutes.

Bill Call led the group in the flag presentation.

Randy and Pam Ealy provided the refreshments.

Randy reminded everyone of the items in the CPPC Store, which includes Jackets, shirts calendars and the vendor list.

Upon motion, made and seconded, it was unanimously resolved that the minutes of the Membership Meeting on April 25, 2017, be approved as written in the May Newsletter.

Treasurer's report. Dolores Call reported on the balance in the Club treasury and that the Club is in good financial standing.

Old Business: Swap Meet Wrap up: Gary reported that the Club filled up the five spaces with items for and netted approximately \$3,585 in sales. Additionally, approximately \$1,950 in member items placed on commission were sold.

New Business: Gary gave an update on the Club trailer, delivery is expected in about 4 to 6 weeks. Bill Call will have his insurance person come to the next Board meeting to discuss insurance requirements and options. Randy is checking with PDX Wraps for adding the Club logo to the trailer.

Randy gave an update on the planning for the Hot-Dog-Ust car show scheduled for August 12. A new 4 page brochure, produced by Pam Ealy and Robin Will, intended for scholarship sponsors, was displayed. All proceeds will go directly to the Automotive Department at the College. Joanne Dixon reported hat she currently has 11 sponsors @ \$50 ea., several carry over raffles and 31 goody bags, 69 more are needed.

Randy reminded everyone that 4 people are needed for the Nominat-

ing Committee, contact person is Bob Westphal.

Randy announced the member's birthdays for June. A complete list is included in the newsletter.

Mayflower Activities: Jean Graham reported on the recent Mayflower visit to the Red Pig Garden Tools in Boring, OR. Red Pig Tools is the only blacksmith in the United States specializing in hand forged garden tools for home gardeners, nurserymen, landscapers, and farmers. Lunch was at the Toll House in Sandy.

Member Care: Joanne Dixon reported that Patty Brost is currently in a rehabilitation center and appreciates all the cards and calls she has received.

The next Hot-Dog-Ust Car Show planning meeting held on June, 20, 10:00, at the Wilsonville Library. The date and location for the show will be August 12, at the Clackamas Community College.

Technical Committee: Phil Lapin gave an update on the Technical Committee, no new requests were received for the current month.

Newsletter / Website: Robin Will was not available for an update.

Door prizes were won by, Gerry and Kena Petersen, Judy Byrnes, Mindy Benfield, Jeanne Mowery. The 50/50 drawing was won by Tom Nachand.

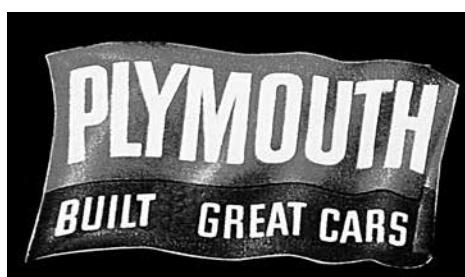

Gary Rusher led the Car Quiz:

1. Which company was the fist to introduce radios in cars? Answer: Motorola

2. What make of car was the song "Hot Rod Lincoln" written about? Answer: 1931 Model A.

3. What auto mfg. was the first to offer seat belts as an option? Answer: Saab, 1958.

The meeting was adjourned at 8:20 p.m.

The Steering Column, A Message from the President

Greetings to all

Hope everyone got a chance to drive their Plymouths this weekend and took advantage of our great weather. Pam and I went to the Orphan Car Show where there

were many unusual cars not seen at other shows. Our club was well represented with our Plymouths. The Studebaker Club did a great job as our host for the car show. Pam and Donna Bade took the time to hand out our upcoming Hot Dog-Ust car show flyers and spoke individually to everyone, promoting the show. This is great advertising. Remember to take some flyers and hand them out as you visit other shows. Jerry Dixon has the upcoming shows listed in this newsletter and he will talk more at our next meeting.

Sitting in the shade of the cottonwood trees at the show I asked Pam to find the Beaver score in the College World Series baseball game. However she and Donna Bade were in this discussion about a great book Donna had just finished and Pam was trying to order online through the library. Donna

Members sought for nominating committee

This is an election year for CPPC – our officers' two-year terms will end when the 2017 calendar runs down.

CPPC Bylaws state that in August of each election year, a Nominating Committee of five members shall form, headed by the Chairman of the Board, and present a list of nominees for all positions (President, Vice-President, Secretary, Treasurer, Member-At-Large) at September's board meeting.

Practically speaking, that doesn't give us a lot of time, and the Board would like to get a head start on the nominating process this year.

Members interested in serving on the nominating committee, or as an officer for CPPC in 2018-2019, should contact a member of the board.

could not remember the name of the book so Pam was googling the author's name and the search went on and on. Well guess what, Donna had the wrong author which threw Google into a frenzy never seen before. Now Pam is trying to order a book with the wrong author and no title and the battery is losing its charge and Google is losing its patience. Donna then calls a friend (sounds like a game show) and asked her the name and author of a book she

just read (they should develop an app for this). Luckily her friend knew the answer and Google then took a big sigh of relief.

Full disclosure, I may have embellished the facts of this story somewhat, but it's just some of the fun times at car shows. The good news is I did finally get my baseball score.

See ya at the next meeting.

Let the good times roll

Randy Ealy

Summer car activities – more fun than you can stand!

Here's the list of activities CPPC's Board of Directors has planned for 2017. To refresh your memory, look at our Website PICTURES page, and review the fun we had in 2016.

June

- June 25, (Sunday) - **Tigard Balloon & Car Show**, Tigard, OR - (Joint/Host: WPC)
- June 28, (Wednesday) – Tech Committee Meeting, TBA - (Host: Phil Lapin)

July

- July 7-8, (Friday - Saturday) – Traffic Jam, Western Antique Aeroplane & Automobile Museum, & Mosier Tunnels, Hood River, OR - (Host: ?) www.waaamuseum.org
- July 9, (Saturday) – Hazelnut Festival show, Donald, OR - (Host: Ealy's) www.donaldhazelnutfestival.com/car-show
- July 15, (Saturday) – North Valley Cruzzers Show, Dayton, OR - (Host: Ealy's)
- July 16, (Sunday) – Forest Grove Concours d'Elegance, Pacific University, Forest Grove, OR www.forestgroveconcours.org
- July 18, (Tuesday) - 2017 Cruise-In Planning Meeting, 10:00 AM, on the show site at Clackamas Community College. (Host: Ealy's)
- July 22, (Saturday) – Roberson's All-Mopar Cruise-in, Salem, OR
- July 23?, (Sunday) – Mopar Nationals, Woodburn Drag Strip, OR - (Host: Benfield) www.woodburndragstrip.com
- July 26, (Wednesday) – Tech Committee Meeting, TBA - (Host: Phil Lapin)
- July 28, (Friday) – Dayton Friday Night, Old Timers Weekend, Dayton, OR - (Host/Joint: Ealy's)

August

- August 5?, (Saturday) – Detroit Lake Tour, Detroit, OR - (Joint/Host: WPC)

- August 16 -19, (Tuesday - Saturday) - WPC National Meet, Tacoma, WA - (Host: WPC)
- August 22, (Tuesday) – Hotdog Feed & Membership Meeting - (Host: Bade's)
- August 23, (Wednesday) – Tech Committee Meeting, TBA - (Host: Phil Lapin)

September

- September 2, (Saturday) – Columbia Gorge Interpretive Center Show & Swap Meet, Stevenson, WA - (Host/joint: ?)
- September 9, (Saturday) – Oregon High Desert Swap Meet, Redmond, OR www.coocc.net

Vacuum windshield wiper motors benefit from regular maintenance

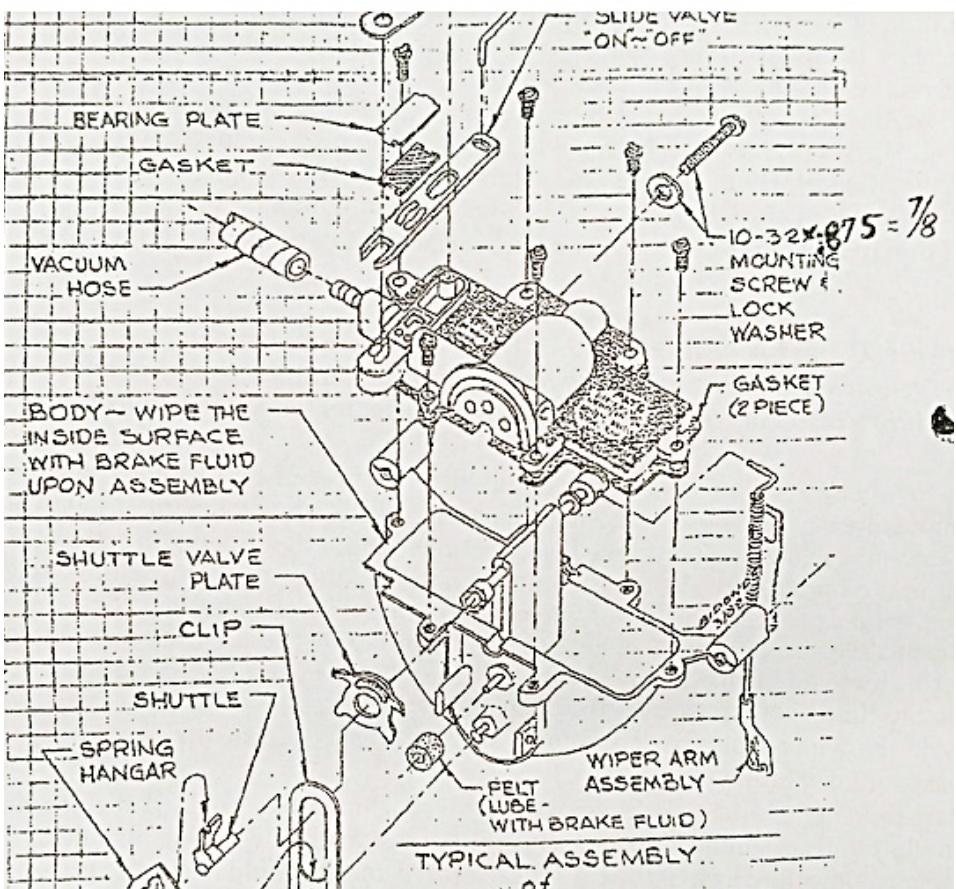

Editor's Note: I found this on one of the car sites online, and stole it for CPPC. The original documents are JPEGS, apparently scans of a manual intended for owners of Model A Fords. However, I suspect vacuum wiper setups are similar enough to make this worthwhile. I can furnish the original JPEGS to anyone who would like to print their own copy. The relevant portion of the text is reproduced below.

Aside from the benefits of working windshield wipers, believe it or not, the performance of the engine is affected as leakage in the wiper motor lowers the intake manifold vacuum and leans out the fuel-air mixture.

(This article recommends using brake fluid as a lubricant, but considering the damage to paint that brake fluid can cause, experts suggest using a light machine oil.)

1. Remove the vacuum hose at the wiper motor. Lightly hold your finger over the hose nipple on the motor and cycle the wiper blade back and forth. Note that in one direction the motor sucks in air, and in the opposite direction, the motor expels air through the nipple. Place the wiper blade in the position such that the motor will begin to suck air at the nipple.
2. Attach a six-inch long piece of hose to the motor nipple and hold the open end up. Using a squeeze bottle, force one teaspoonful of lubricant into the hose. Place a rag on the cowl below the wiper motor. Hold another rag over the open end of the hose.
3. Cycle the wiper blade back and forth several times. Repeat the process again, adding a second teaspoonful of lubricant.
4. Start the engine and run the wiper motor. It should run well. If it does not, the wiper motor should be disassembled, cleaned, inspected and a rebuilding kit installed. It is normal for the wiper to slow down when the car is accelerated, but it should not stop altogether.

This particular diagram illustrates the vacuum wiper motor from a Model A Ford, but it is probably similar enough to use as reference. CPPC members who would like their own copy should drop and email to Robin for the original JPG file to print at home.

Cascade Pacific Plymouth Club Technical Committee 2017

The committee meets the 4th Wednesday of each month, and other times as they are needed, gladly making house calls where necessary.

Automotive Friction - a great business resource for CPPC car owners

By Phil Lapin

Tucked away up a driveway in Damascus is a great family owned business that serves vintage car owners well.

It is named Automotive Friction, and friction linings on clutches and brakes are much of what they work on, although they also rebuild water pumps.

Honesty, integrity and extensive knowledge come together with a complete on-site specialty machine shop.

If you need a vintage clutch relined, checked or adjusted they can do it. (And if it doesn't need repair, they'll tell you that, up front!)

The same goes for brake linings and water pumps.

This company works on not only vintage automotive components, but also industrial, agricultural, custom and heavy duty vehicles.

Check their site at www.autofriction.com, or if you need something call 1 800 545 9088.

MAYFLOWERS

The Mayflower's entire purpose is to get out and visit interesting people and places in the Pacific Northwest. Everyone is free to join in.

Tour of Palm Harbor Manufactured Homes set for July 10

By Barbara Rice

On July 10, the Mayflower's will take a tour of Palm Harbor Manufactured Homes in Albany, Or. at 10:00 am. Tour takes about 45min. -1 hour, no open toe shoes and glasses need to be worn. Those who don't wear glasses they will furnish them for you.

After we will have lunch at Novak's Hungarian Restaurant in downtown Albany.

After lunch you may want to shop the antique stores in downtown Albany.

Hand-Forged garden tools were an attraction on the Red Pig tour

By Jean Graham

Bob Denman, owner of Red Pig Garden Tools, gave interesting, informative, historical -- and fun -- information on hand-forged garden tools. Gardeners, defined by Bob Denman, are 'those who live, breath, eat and sleep' gardening. After browsing tools in the Barn and Mr. Denman's presentation, several of our folks purchased garden tools. (That says we have some real Gardeners in our midst.) Twenty-two of us enjoyed the Red Barn experience and lunch after at the Tollgate Restaurant in Sandy.

Here's an orphan: a 1929 Willys Whippet. The Whippet and Hudson's Essex battled for 3rd place in sales until Plymouth's PA joined the Big Three in 1931.

BODY SHOP & REPAIRS

Joanne Dixon is CPPC's Member Care contact. Please keep her updated about members who need cards, letters, e-mails or phone calls.

Contact Joanne at 360-608-6171 or jojoes@outlook.com.

Patty Brost is at home and you can call her in the afternoon to evening. Patty's sister Kathy or son Chris will take a message if Patty is unable to talk at the time you call. Visitors are welcome but it is best to call first. The number is 503-761-2792.

Yvonne Westphal had left knee replacement surgery on June 7th. She is having physical therapy and is using a walker.

Please remember these club members with cards and phone calls. They are always welcome and appreciated.

NUTS & BOLTS: Board meeting highlights

*From minutes taken
by Jim Wheat*

The Board of Directors of Cascade Pacific Plymouth Club met on June 13, 2017 at 12:30 PM at Bill's Place, 11611 SE 106th. St., Clackamas, Oregon.

Present were Board members Bob Westphal, Chairman off the Board, Randy Ealy, President, Gary Rusher, Vice President, Dolores Call Treasurer, Robin Will Editor, Phil Lapin, Technical Committee. Joanne Dixon, Member at Large, Jerry Dixon, Activities plus guest Chuck Willis, Jim Wheat recorded the minutes.

Minutes of the May 16, 2017 Board Meeting were approved as published in the newsletter.

reasurer: Dolores Call reported and presented a year to date statement. The club is in strong financial condition. Discussed Pay Pal update of account, no action is required at this time. Robin, Dolores and Mike Bade will coordinate on mailing labels and compare mailing labels to the address spread sheet. Financial report was approved as submitted. Ask any Board member for specifics regarding the budget.

Activities: Jerry Dixon reported on upcoming activities and submitted a list of all car shows in the area. The list of activities will be reviewed at the General Membership meeting so that anyone attending could distribute flyers for the upcoming Hot-Dog-Ust Car

show. See the activities calendar in the newsletter for complete details of future events.

Old Business: Discussed insurance for the Club trailer, the insurance representative was not available of the meeting. Gary Rusher will contact his insurance company for more information.

Refreshments: Jim and Pam Wheat will provide refreshments for the June General Membership meeting.

New Business: Car show: reviewed the letter that the College will receive regarding donations for scholarships. Discussed advertising signs for \$20 - \$50 sponsors - what type of information is needed. Robin said the basic information on a business card would be sufficient. Joanne reported that a \$500 donation was received from Hilltop Collision Center and a \$50 gift card from Erickson Tire.

Discussed items for sale from Bob Dimick consisting of a flatbed trailer, 5th wheel trailer, 41 Plymouth coupe and miscellaneous car parts. Jerry and Joanne will interface with Bob to obtain details such as expected price range for trailers and expectations of disposal of all items. Bob will donate a portion of the sale to the Club. The miscellaneous car parts could be put into the newsletter with response to Bob for final agreement on price.

Gary recommended that the Club
